III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

The **Long version** of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English. The Code is also available on the FEI's website: <http://inside.fei.org/>.

XIV. ADDITIONAL INFORMATION

1. INSURANCES AND NATIONAL REQUIREMENTS

Equestrian sports involve inherent dangerous risks. To the greatest extent permitted by law, the FEI and the FEI Event Organiser shall NOT be liable for any damages relating to loss of property or injury of any kind to Athletes, Owners, Support Personnel or Horses at or in connection with an FEI Event and the FEI expressly excludes all such liability.

1.1 ATHLETES, OWNERS AND SUPPORT PERSONNEL

1.1.1 Personal accident and health insurance

It is your responsibility as an Athlete/Owner/ Support Personnel to ensure that you have adequate personal accident insurance in place to cover your participation at FEI Events and in particular to insure against any personal injury or medical expenses arising from an accident, injury or illness which may occur at a FEI Event.

You should check with your National Federation to confirm if your National Federation's insurance policy (if any) covers personal accidents and/or illnesses which may occur when you are attending/participating in FEI Events.

If your National Federation does not have a personal accident/health insurance policy or if the National Federation's insurance policy does not cover personal accident or health claims, then you should obtain your own personal accident and health insurance policy to cover your attendance/participation at FEI Events.

1.1.2 Personal property insurance

You should also ensure that you are insured against property loss, theft or damage, which may occur at an FEI Event.

Again, the advice is to check with your National Federation to confirm if they have an insurance policy in place, which would cover you in case of such property loss, theft or damage. If not, then you should obtain your own personal property insurance to cover such situations.

1.1.3 Press equipment

Press equipment and other items left in the Press workroom, Press lockers, the Press Tribune or anywhere on the showgrounds are left entirely at the owner's risk. The Organising Committee does not accept any responsibility for any loss or damage to such equipment or items. Members of the Press are advised not to leave any equipment or personal items unattended.

1.2 ATHLETES AND OWNERS

1.2.1 Third party liability insurance

As an Athlete/Owner you are personally responsible for damages to third parties caused by you, your employees, Support Personnel, your agents or your Horses. You are, therefore, strongly advised to take out third-party liability insurance providing full coverage in relation to FEI Events at home and abroad, and to keep the policy up to date.

The FEI and the Organiser will NOT be responsible for any damage caused to third parties by you, your employees, Support Personnel, your agents or your Horses.

1.2.2 Additional liability information

No additional information

1.2.3 Horse insurance

As an Owner you should ensure that your Horses are adequately insured against any injuries or illnesses they may sustain while participating at a FEI Event.

2. PROTESTS / APPEALS

To be valid, all Protests and Appeals must be made in writing and accompanied by a deposit of CHF 150.- or equivalent, as mentioned in the FEI General Regulations (Art. 161-162) available at the following link:

<https://inside.fei.org/content/general-regs-statutes>

3. SCHOOLING DURING COMPETITIONS

Athletes wishing to school during speed competitions (Table A and Table C) must inform the OC before these competitions begin. These athletes will start first in these competitions.

4. STEWARDING

- If an athlete is uncertain as to whether the boots they intends to use during an event are allowed, they or their representative should show the boots to the Chief Steward for their opinion before the boots are used in training or in competition.
- In addition, athletes are to be made aware that hind boots must be removed and placed again on the horse's legs in the presence of a Steward while in the warm-up arena prior to entering the competition arena for certain competitions. (If bandages are used in place of boots, athletes are not required to remove the bandages in the warm-up arena.) This procedure is compulsory for competitions for which boot and bandage control is mandatory, that is the Nations Cup, Grand Prix, and the competition with the highest prize money, and is at the discretion of the Chief Steward for other competitions.
- As an alternative to carrying out this procedure at the time designated by the Steward an athlete may ask their groom to take the boots to the in-gate and place them on the horse's legs in front of the Steward prior to the combination entering the arena.
- The Steward has the authority to intervene if a boot is deemed excessively tight by instructing that the boot be removed and put on again correctly. [Stewards are to note that it is normal for a horse's gait to be somewhat affected immediately after boots have been removed and re-placed.] If an athlete or his/her groom refuses to remove and re- place the boot(s) when instructed to do so by the Steward, a Yellow Warning Card will be issued to the athlete in question.
- If it is deemed impossible or unsafe to remove the hind boots in the warm-up arena prior to the combination entering the competition arena, due to an extremely excited or nervous horse, the boots of the horse in question are to be removed by the athlete/groom following the athlete's round upon leaving the arena and inspected by the Steward. This inspection may be carried out during the boot and bandage control if the boot and bandage control is carried out for the competition in question.
- This procedure does not replace boot and bandage control after completion of an athlete's round for competitions for which boot and bandage control is mandatory (refer to JRs Art. 244.1).

5. DISPUTES

In the event of any discussion concerning the interpretation of the schedule (in translated languages), the English version will be decisive.

6. MODIFICATION TO SCHEDULE

In exceptional circumstances, together with the approval of Chefs d'Equipe, host NF delegate, if any, and the Ground Jury, the Organiser may change the schedule in order to clarify any matter arising from an omission or due to unforeseen circumstances. Any such changes must be notified to all athletes and officials as soon as possible and they must be reported to the FEI Secretary General by the Technical Delegate, the President of the Ground Jury or the Foreign Judge, as applicable.

7. ADDITIONAL INFORMATION FROM THE ORGANISER

1. **DECLARATIONS** No horse will be allowed to start in more than one competition per day. Moreover, no horse will be permitted to compete in any competition, unless the declaration has been made at the Show Office on the previous day of the relevant competition at 18hrs00 pm at the latest.

During a competition the exercise/practice area is strictly reserved to horses starting in the present competition and the next three athletes must at all times be mounted and ready to enter the arena. If an athlete is not ready when his/her starting number/name is called, he/she will lose his/her place in the starting order and he/she will be eliminated from that competition at the discretion of the Ground Jury, unless certain circumstances prevent this (e.g. losing a horse shoe just before his/her turn to start).

Moreover the Organising Committee would highly appreciate the athlete's cooperation for marketing activities related to the event (for example to join a meet and greet session with main sponsors), for approximately 10/15 minutes maximum, if so requested.
4. **INCIVILITY** Any act of discourtesy or disobedience to any judge, steward or show official on the part of the athlete, groom, driver or owner of a horse may – at the sole discretion of the President of the Ground Jury, following consultation of the Foreign Judge – result in the athlete being disqualified from the event, in which case (entry) fees and prize money won will be forfeited.
5. **PARADING** All horses must be paraded whenever so ordered by the Organising Committee or an authorised show official. Any failure to comply with this rule may result in disqualification from competing and forfeiture of prizes, at the discretion of the Ground Jury.
6. **DOCTOR | MEDICAL SERVICE | FARRIER** Veterinary and medical assistance, as well as farriery services, are available for the duration of the event. These are at the expense of those requesting them. When, in the opinion of the event's Treating Veterinarian, a horse is so severely injured that it ought to be humanely destroyed, the Person Responsible should where possible first be informed. However, the Event's Treating Veterinarian may proceed with humane destruction, without reference to the PR, in order to prevent undue suffering to the horse. Before taking this action, the event's Treating Veterinarian should, wherever practicable, seek a second veterinary opinion. In such eventuality, owners are responsible for the costs of disposal.
7. **PRIVATE VETERINARY SURGEONS** Private veterinaries will have to report to the FEI Veterinary Delegate upon their arrival at the show grounds, before they will be accredited and be allowed to enter the event's restricted area. Under no circumstance will any veterinary surgeon other than the FEI permitted Treating Veterinarian be allowed to treat any horse at the Amadeus Horse Indoors 2024, unless permission in writing has been received from the event's FEI Veterinary Delegate.
8. **STABLING** All horses, entered for the competitions of the Amadeus Horse Indoors 2024 must be stabled in the official stables provided by the Organising Committee for the entire duration of the event.
9. **EMERGENCY STABLE CARDS ECSCs** must be obtained from the stable managers office upon arrival at the event. It is the responsibility of the rider/groom to complete the card in full and affix to their horses stable door for the duration of their stay at the show. Whilst every reasonable effort will be made to contact the owner/person responsible of the animal, if unsuccessful the event's Treating Veterinarian on duty will treat the animal as he finds necessary.
10. **IDENTIFICATION** For identification purpose all horses stabled must carry their identification number whenever leaving the stables; offenses against this rule, will incur a fine.
11. **CUSTOMS/HEALTH DOCUMENTS** Foreign athletes requiring health documents for their horses to facilitate their onward journey following their sojourn at the Amadeus Horse Indoors 2024, must inform the event's Show Office accordingly not later than Thursday December 5th 2024, by 10hrs00 am.
12. **DOGS** are only allowed in the trucks and outside area on a leash only without exception. Dogs **ARE NOT ALLOWED** in the show halls and exhibitions halls, stables, VIP area. 	* The OC must provide additional prizes for the remaining placed athletes to fulfil quota of one prize per four athletes. The amount to be given to each of these athletes must be stated in the Schedule.				

In case of a tie for the 12th place in a competition with 12 to 48 starters, the prize money foreseen for the 12th place will be divided equally among the athletes concerned.

For Competitions run in two rounds with more than 12 starters in 2nd round:

OCs that indicate in the schedule that a specific number (that is more than 12) of athletes will return for the second round will be permitted to distribute the prize money for that competition among all the athletes taking part in the second round, even if the second round is followed by a jump-off in case of a tie on penalties for first place after the second round.

DEDUCTIONS FROM PRIZE MONEY AT COMPETITIONS

Full details of any deductions from prize money must be outlined in the schedule. This includes government taxes. If it is necessary for Organisers to deduct such taxes, they must provide participants with an official form indicating the amount of tax deducted.

The tax form must be provided to the athletes upon arrival and returned to the Organiser prior to departing.

IMPORTANT

The total amount of prize money shown for each Competition in the schedule must be distributed. (FEI General Regulations articles 127 and 128)

For details of the prize money breakdown for each competition please refer to the tables at the end of this document; the Organiser must specify which of the two (2) tables will be used. The total prize money for the Competition must be distributed among the first twelve (12) placed athletes.

The Organiser must provide additional created prizes for athletes placed beyond twelfth (12th) place. The minimum amount for each of these additional prizes, for athletes placed from thirteenth (13th) to last place, must be clearly specified in the approved schedule and not exceed the prize money of the athlete placed twelfth (12th)

9. MAXIMUM NUMBER OF STARTERS PER COMPETITION

***Annex VI FEI Jumping Rules:**

Maximum 100 starters per Competition other than the GP. If more than 100 starters are declared, the OC must split the competition into the number of groups required to ensure that there are no more than 100 starters in any group, and provide the same amount of prize money as indicated

The additional prize money provided by the OC is not taken into consideration with regard to the overall prize money that determines the star level of the Event or the Longines Ranking point group of the Competition, if applicable.

OCs may apply either of the following methods for splitting the Competition:

- The competition is split into the number of groups required before it starts. There may be athletes with multiple horses in each group but all horses of any one athlete must be in the same group. If it is not possible to have groups of equal size there may be a different number of starters in each group;
- The competition is run as one single competition and split afterward into the number of groups required to ensure that there are no more than 100 starters in any group, and the classification established as follows: the athlete with the best score is the winner of the first group, the athlete with the second best score is the winner of the second group and so on until prizes have been allocated to 25% of the total number of starters. NB: In this case separate results must be sent to the FEI for each of the groups, e.g. results for Competition 1a and for Competition 1b (and for Competition 1c if the original Competition was split into three groups, etc).

In both cases above each group must offer the same amount of prize money as indicated for the original Competition. For the avoidance of doubt, it is the number of declared starters in the Competition, not the final number of starters that determines whether the Competition must be split.

As all FEI World Cup™ Competitions have the status of a Grand Prix, the minimum prize money requirements for the Grand Prix are applicable to the World Cup™ Competition.

For CSI-W Events with a Grand Prix Competition in addition to the FEI World Cup™ Competition, the minimum prize money requirements indicated for the Grand Prix apply only to the FEI World Cup™ Competition; the Grand Prix Competition at such Events cannot offer more prize money than the prize money offered for the FEI World Cup™ Competition.

III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, Chemin de la Joliette 8, CH-1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English. The Code is also available on the FEI's website: <http://inside.fei.org/>

To the greatest extent permitted by law, the FEI and the FEI Event Organiser shall NOT be liable for any damages relating to loss of property or injury of any kind to Athletes, Owners, Support Personnel or Horses at or in connection with an FEI Event and the FEI expressly excludes all such liability.

1.1 ATHLETES, OWNERS AND SUPPORT PERSONNEL

1.1.1 Personal Accident and Health Insurance

It is your responsibility as an Athlete/Owner/ Support Personnel to ensure that you have adequate personal accident insurance in place to cover your participation at FEI Events and in particular to insure against any personal injury or medical expenses arising from an accident, injury or illness which may occur at a FEI Event.

You should check with your National Federation to confirm if your National Federation's insurance policy (if any) covers personal accidents and/or illnesses which may occur when you are attending at/participating in FEI Events.

If your National Federation does not have a personal accident/health insurance policy or if the National Federation's insurance policy does not cover personal accident or health claims, then you should obtain your own personal accident and health insurance policy to cover your attendance/participation at FEI Events.

1.1.2 Personal Property Insurance

You should also ensure that you are insured against property loss, theft or damage which may occur at an FEI Event.

Again, the advice is to check with your National Federation to confirm if they have an insurance policy in place which would cover you in case of such property loss, theft or damage. If not, then you should obtain your own personal property insurance to cover such situations.

1.1.3 Press Equipment

Press equipment and other items left in the Press workroom, Press lockers, the Press Tribune or anywhere on the showgrounds are left entirely at the owner's risk. The Organising Committee does not accept any responsibility for any loss or damage to such equipment or items. 1.2 ATHLETES AND OWNERS

1.2.1 Third Party Liability Insurance

As an Athlete/Owner you are personally responsible for damages to third parties

caused by you, your employees, Support Personnel, your agents or your Horses. You are, therefore, strongly advised to take out third-party liability insurance providing full coverage in relation to FEI Events at home and abroad, and to keep the policy up to date.

The FEI and the Organiser will NOT be responsible for any damage caused to third parties by you, your employees, Support Personnel, your agents or your Horses.

1.2.2 Additional Liability Information

1. The Organising Committee will not accept responsibility for any accident happening to owners, participants, grooms, to or because of their horses to third parties in whichever circumstances, inside or outside the show grounds, during, before or after competitions. The civil and financial responsibility of the organising committee and its co-operators will never be liable in any circumstance.
2. The Organising Committee (including their employees, representatives and show officials) will not be responsible for any accident, injury or damage that may occur to, or any illness or disease which may be contracted by any horse entered at the Amadeus Horse Indoors 2024 however occurring, and the athletes and horse owners shall keep the organising committee indemnified against all liability whatever arising from any accident, injury, damage, illness or disease.
3. Athletes recognize and accept that all equestrian sports involve inherent risks and that no helmet or protective equipment can protect against all foreseeable injury. Consequently, by entering their horse(s) for Amadeus Horse Indoors 2024 they accept the risk and hold harmless the Organising Committee, the FEI, the officials, agents, employees and their representatives.
4. The Organising Committee will not be in any way liable for anything that may happen (from any cause or circumstances whatever) to property brought into the event or for any other loss, claim, circumstance, matter or event whatever in connection with, or arising out of, or attributable to the actions of the organising committee (including their employees, representatives and show officials) or any of their officers, or agents or these or any other rules or regulations special conditions prescribed by the event.

(in translated languages), the English version will be decisive.

4. MODIFICATION TO SCHEDULE

In exceptional circumstances, together with the Approval of the Chefs d'Equipe, host NF delegate, if any, and the Ground Jury, the OC may change the schedule in order to clarify any matters arising from an omission or due to unforeseen circumstances. Any such changes must be notified to all Athletes and Officials as soon as possible and they must be reported to the FEI by the Foreign Judge.

5. ADDITIONAL INFORMATION FROM THE ORGANISER

1. **DECLARATIONS** No horse will be allowed to start in more than one competition per day. Moreover, no horse will be permitted to compete in any competition, unless the declaration has been made at the Show Office on the previous day of the relevant competition at 18hrs00 pm at the latest.

If an athlete is not ready when his/her starting number/name is called, he/she will lose his/her place in the starting order and he/she will be eliminated from that competition at the discretion of the Ground Jury, unless certain circumstances prevent this (e.g. losing a horse shoe just before his/her turn to start).

4. **INCIVILITY** Any act of discourtesy or disobedience to any judge, steward or show official on the part of the athlete, groom, driver or owner of a horse may – at the sole discretion of the President of the Ground Jury, following consultation of the Foreign Judge – result in the athlete being disqualified from the event, in which case (entry) fees and prize money won will be forfeited.
5. **PARADING** All horses must be paraded whenever so ordered by the Organising Committee or an authorised show official. Any failure to comply with this rule may result in disqualification from competing and forfeiture of prizes, at the discretion of the Ground Jury.

However, the Event's Treating Veterinarian may proceed with humane destruction, without reference to the PR, in order to prevent undue suffering to the horse. Before taking this action, the event's Treating Veterinarian should, wherever practicable, seek a second veterinary opinion. In such eventuality, owners are responsible for the costs of disposal.

7. PRIVATE VETERINARY SURGEONS Private veterinaries will have to report to the FEI Veterinary Delegate upon their arrival at the show grounds, before they will be accredited and be allowed to enter the event's restricted area. 14. GENERAL Competitors and others involved in the Amadeus Horse Indoors 2024 must make themselves conversant with this official schedule's content, in addition to the special conditions applicable to the various competitions. Riders may only compete on the understanding that they comply with and are bound by these regulations and the special conditions relating to each competition. By entering a horse into the Amadeus Horse Indoors 2024, the Person Responsible fully accepts the conditions of the official schedule and of the program itself, applicable to the athletes, grooms, horse owners and the horses.

DEDUCTIONS FROM PRIZE MONEY AT COMPETITIONS:

Full details of any deductions from prize money must be outlined in the schedule. This includes government taxes. If it is necessary for Organisers to deduct such taxes, they must provide participants with an official form indicating the amount of tax deducted.

The tax form must be provided to the athletes upon arrival and returned to the Organiser prior to departing.

Foreign athletes are taxable in Salzburg/AUT by 20% tax deduction on money prizes won; the Organising Committee will deduct taxes from prize money won immediately. Settlement will be done per athlete. The OC will deduct outstanding debts of the athlete concerned.

The athletes' accounts will be established in EUR. Athletes will be invited to provide all necessary information, in order to guarantee the correct tax procedure; to this purpose all athletes must provide the Organising Committee with a copy of the relevant pages of their passport and their home address. Foreign athletes being exempted from tax deduction are kindly requested to submit an exemption certificate either with their entries for the event or on the first day of the event at the latest.

Every athlete is personally responsible for the correctness of the details he/she submits to the Organising Committee.

Prize Money will be paid by bank transfer to the account registered for the rider at the Show Office. The scheduled prizes are gross amounts. Settlement will be done per athlete. Depending on the agreement with the horse owner, each athlete binds himself to pass on to the horse owners the prize money or prizes in kind rewarded instead of prize money.

The organizer is allowed to deduct possibly outstanding debts of the athlete
